

We are seeking to recruit a highly-qualified professional on the role of Business Consultant

Our profile:

EV Consulting is a management advisory firm that serves companies and industries aspiring to move to the next level of competitiveness and innovativeness.

Role profile:

- ✓ *no boring deliverables:* business consultant at EV Consulting is expected to accomplish progressive and leading tasks in market analysis and research, financial analysis and planning, preparation of investment proposals, economic studies with sectoral focus and quantitative analysis; the candidate will be encouraged to imbue creativeness in each common task and assignment;
- ✓ *no ordinary role:* EV Consulting sets distinguishing assignments for each member of its team that helps grow his/her competence set;
- ✓ *no easy challenges:* we highly appreciate our employees' efforts to deliver high quality content while meeting extremely tight deadlines;
- ✓ *rare opportunity:* our desired candidate will highly value favorable working environment, where people are more than current employees.

Candidate profile:

The ideal candidate is expected to

- ✓ demonstrate
 - excellent writing skills in Armenian, Russian and English;*
 - excellent quantitative skills;
 - proven analytical and research skills;
 - problem solving skills
 - computer literacy
- ✓ have educational background in business administration or related field, preferably with marketing major; additional educational background in math or technical sciences is a plus
- ✓ have solid working experience of 2-4 years
- ✓ prove desire to join our team

If you believe you are the professional we are seeking for, we want to hear more about you. Please, forward your resume with a cover letter demonstrating your enthusiasm for the position to info@evconsulting.am. Submission deadline is 17, February, 2010. No necessity of phone calls.

* Utmost important prerequisite
